

MITSUBISHI

CROSS

SPECIFICATIONS				
MODEL	Drive system		2WD	
	Engine		2.0 MIVEC	
	Transmission		CVT	
	Price class		GLX	
	Model code	EURO 2		GK2WXTMHR
DIMENSIONS AND WEIGHTS	Overall length	mm	4,405	
	Overall width	mm	1,805	
	Overall height	mm	1,685	
	Wheelbase	mm	2,670	
	Track	Front	mm	1,545
		Rear	mm	1,545
	Ground clearance	mm	180	
	Curb weight	kg	1455	
Seating capacity	persons		5	
PERFORMANCE	Max. speed*	km/h	193	
	Min. turning radius	m	5.3	
ENGINE	Type (code)		16-valve inline-4 DOHC MIVEC (4B11)	
	Displacement	cc	1,998	
	Bore x Stroke	mm	86.0 x 86.0	
	Max. output (EEC net)	kw(PS)/rpm	110 (150)/6000	
	Max. torque (EEC net)	N-m(kg-m)/rpm	198/4200	
FUEL SYSTEM	Fuel supply equipment		ECI-MULTI (Electronic Controlled Injection - Multi Point Injection)	
	Fuel tank capacity	liters	63	
TRANSMISSION	Type		INVECS-III CVT with 6-step Sports Mode	
STEERING	Type		Rack-and-pinion with electric power assist	
SUSPENSIONS	Front		MacPherson strut, coil springs with stabilizer bar	
	Rear		Multi-link, coil springs with stabilizer bar	
BRAKES	Front		Ventilated discs	
	Rear		Solid Discs	
TIRES	Front and rear		225/55R18

ECLIPSE CROSS

www.new-eclipse.com

READY FOR ACTION

Bold lines. Flared fenders. A deeply sculpted wedge like an athlete perched to explode from the starting block. The ECLIPSE CROSS leaves onlookers behind to ponder its steeply raked rear window.

MITSUBISHI

ECLIPSE

EXHILARATION AT YOUR COMMAND

The sporty, meticulously crafted cockpit quickens your pulse and heightens your pleasure. Every detail is designed to enhance your awareness and control. So driving feels intuitive, with direct, linear response to every command.

SPACIOUS INTERIOR

A REFRESHING EXPERIENCE FOR ALL

The joy of driving extends to every passenger in the spacious cabin, which is overflowing with quality materials and solid craftsmanship. Comfortable seats with supportive contours and plenty of legroom keep everyone feeling refreshed even on the longest of journeys.

Rear seat adjustment
The comfortable rear seats with 9-step reclining and 200mm sliding adjustment can be slid all the way back for class-leading legroom. Even then, there is plenty of storage space in back and the 60:40 split seatbacks can be individually lowered for more.

Slender side sills
The side sills are slender and protected from thrown up dirt by door garnishes while driving, so anyone can comfortably enter and exit the vehicle without rubbing their legs on the car and getting their clothes dirty.

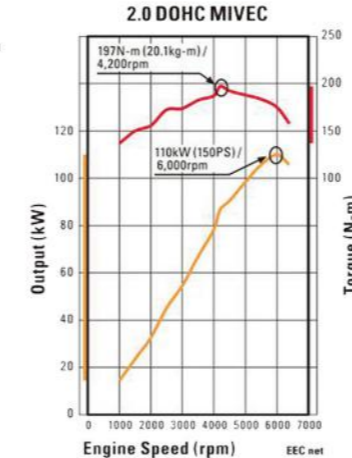

Tailgate window
The rear view is clear through the double rear windows with minimal interference from the height-adjustable rear headrests, which are specially designed to stay low while providing comfortable head support.

INVECS-III CVT and 6 AT
The advanced CVT supports smooth, powerful acceleration and outstanding fuel efficiency with new step shift control that creates the satisfying sensation of shifting gears. A new lightweight 6-speed automatic transmission is also available.

RESPONSIVE ACCELERATION. MORE POWER FROM EVERY DROP OF FUEL.

2.0L direct-injection petrol engine
2.0-liter powerhouse uses a lightweight aluminum block for optimum performance as it puts out 110Kw (150 PS) to take control of city streets and open highways alike. MIVEC (Mitsubishi Innovative Valve timing Electronic Control system) technology provides optimal valve timing at both low and high rev ranges, to give the most of every curve and straightaway out there.

Make all the right moves in relaxed comfort.

Handling is stable, intuitive and predictable. Where you point, the ECLIPSE CROSS goes with unerring precision and poise thanks to a fine-tuned suspension, responsive steering and supreme body rigidity - reinforced by spot welding, structural adhesives and a standard strut tower bar over the engine. At the same time, all passengers enjoy an extremely comfortable ride on every road wherever you travel.

Structural adhesive bonding on doors and tailgate openings increases coupling rigidity between body parts. (Images are provided for illustrative purposes only.)

REASSURING ALL AROUND SAFETY

Advanced safety technology supports safer, more confident driving on the road and in parking lots, day and night. From intelligent sensors that track your surroundings and warn you of danger to active driving assistance and solid passive protection, the ECLIPSE CROSS delivers all around high levels of safety.

Active Stability Control [ASC]
If wheels lose their grip on slippery surfaces or while turning, ASC automatically adjusts engine output and applies braking force at the appropriate wheels to help maintain control and prevent skidding.

Hill Start Assist [HSA]
When starting on a steep slope, HSA helps prevent you from rolling backwards while you release the brake by maintaining the braking force for up to two seconds until the accelerator is applied.

RISE body
Collision safety performance is significantly enhanced by Mitsubishi Motors' RISE (Reinforced Impact Safety Evolution) body, which efficiently absorbs energy and maintains high cabin integrity in the event of a collision.

7 SRS Airbags
Front airbags, side airbags, curtain airbags and a driver's knee airbag help protect you and your passengers in the event of a collision.

Pretensioners
Pretensioners on the front seatbelts automatically tighten the belts in the event of a frontal collision to help restrain the driver and front passenger and reduce the force of impact when the front airbags are deployed.

ABS with EBD
During hard braking and on slippery roads, the ABS (Anti-lock Braking System) helps prevent wheel lock and maintain steering control. Regardless of passengers number, luggage load, or road conditions, EBD (Electronic Brake-force Distribution) evenly distributes braking force to the rear wheels, adding to overall safety.

GLX (2WD)

- Key Features (IN GLX)**
- 18-inch alloy wheels with 225/55R18 tires (includes spare)*
 - Steering audio switch
 - Wide 2DIN Audio with 4speakers, AM/FM/DAB radio, USB port, Bluetooth
 - Lower anchor and tether for ISO-FIX child seat
 - Rear seat back folding function (60:40 split type)
 - LED Daytime Running Lamp
 - Roof spoiler (with LED high mount stop lamp)
 - Shark-fin antenna
 - Tilt and telescopic steering wheel

EXTERIOR COLOURS

OPTIONAL RIMS TYPES

OPTIONAL SEAT MATERIALS

Note: Leather seats include synthetic leather on the sides, rear, partial seating surfaces and head restraint (also on rear centre armrest sides, door armrests and door trim etc).

DIMENSIONAL VIEWS
